//Repeat verse

That night he was shot on the wrong side of town

No more on those plains will he roam

I reached for my Bible and gave it to him

And said son here s your letter from home

If only I had just a little more time

To read it The young cowboy said
I can t take it with me and I must go on
Then he died with his letter unread

//Repeat chorus
The letter from home, the letter from home
No time for the letter from home
The cowboy lay dead with his letter unread
Too late for the letter from home

//Outro

//This obviously doesn t do Cash s song any justice, but it s fun to play and
sing
along to. Hope this helped you out. -Seb B.
