Just sit right there in your easy chair,
F6 G7 C
and tell me all about the places you ve been,
F C
how long it ll be before you leave again.
D7 G7
I hope it s a long, long while.

She said: Come in stranger, everything round home is fine.
C7 F C
I ve watched and I ve waited for you to get back,
G7 C
and I missed you all the time.

2. She said: Come in , stranger, Oh how I need you when you re gone.
I walk the floor and I watch the door
and when I lie awake and wonder where you can be,
I d give anything to have you here with me.
I get so lonesome all alone.
She said: Come in, stranger, and won t you listen to my plea.
Stay long enough, so that the one I love,
Is not a stranger to me.
