

Crazy Old Soldier
Johnny Cash

C#

I ve had fame and fortune,

F#

Women come knock on my door.

G#

I ve lived to the limit,

C#

And maybe a little bit more.

There are so many stories,

F#

Of how I got out of control.

G#

Some say it s a women,

C#

Some say it s my troubled soul.

F#

I m like a crazy old soldier,

C#

Fightin a war on my own.

G#

Just me and the whiskey,

C#

And the bottles are ten-thousand strong.

F#

You d think I d give up,

C#

As many times as I ve been hit.

G#

But like a crazy old soldier,

C#

I just don t know when to quit.

C#

Barrooms and bedrooms,

F#

are just faces and places and names.

G#

One s for the pleasure,

C#

And lord knows what s for the pain.

I ve tried to forget her,

F#

And all of the things that we ve done.

G#

But as long as there s memories,

C#

I ll never hang up my gun.

Sing Chorus

G#

Like a crazy old soldier,

C#

I just don t know when to quit.
