For You
Johnny Cash

For You   4/4   Johnny Cash with Dave Matthews   From We Were Soldiers
Standard Tuning
Intro: 12 bars - first 4 drums only

```
C                          / G      /
- I will drink the / cup, /
C                            / F          /
- The poison over - / flowing, /
C                    / G     /
- I will lift you / up, /
C                                    / F          /
- Watch over where you re / going, /

C                          / G                              /
- The first one in, / -  the last one gone, /
C                          / F
- I ll be the rock to / stand upon,
      / C        / G          / F          /          /
For / you - / ou , for / you - / ou, /

C               / G          /
- My spirit / aches, / and
C        /                              / F          /
I can t / stop this river / flowing, / - and
C          / G
Here I / take,
C                          / G                      / F            /
- Each labored / breath I draw un - / knowing, /
C                                    / G
- That this could be my life / - my final hour,
      / C                                    / G        -     F
But / faith and hope and love give / me the power.
      / C        / G          / F          /          /
For / you - / ou, for / you - / ou, /

(SPOKEN)

C                          / G
- - - Yea though I / walk through the valley,
C          -              / F                              / C
- Of the shadow of / death, I will fear no / evil,
 C                      / F              / / F      -        C          /
- For You are / with me, / / - - You are with me. /

C          / G              /          /
- I ll be / your salv - / ation, /
C                                          / F                      /
```

- Though the storms sur- / round me, /
C   / **G**   /
- There under / no conditions, /
C   / **F**
 - Lay my body / down,
C   / **G**
- In the / wake will abandon,
C   / **F**
 - Willing sacri - / fice.
C   / **G**   /
- I ll walk / through the / canyon,
C   / **F**   /
- Bring the shadows / light, /
      / C   / G   / F   /   /
For / you - / ou , for / you - / ou, /

C   / **G**   /
- I will drink the / cup, /
C   / **F**   /
- The poison over - / flowing, /
C   / **G** /
- I will lift you / up, /
C   / **F**   /
- Watch over where you re / going, /
C   / **G**   /
- The first one in, / - the last one gone, /
C   / **F**   /
- I ll be the rock to / stand upon, /
C   / **G**   /
- The first one in, / - the last one gone, /
C   / **F**   /
- I ll be the rock / - to stand upon, /
      / C   / G   / F   /   /
For / you - / ou , for / you - / ou, /
      / C   / G   /   / F   /   /
For / you - / ou , / for / you, - / ou. /
(Drop an octave)
      / C   /
For / you - / ou.
