

Futher On Up The Road  
Johnny Cash

[Intro] Am C Am E7 Am

Where the road is dark  
And the seed is sowed  
Where the gun is cocked  
As the bullet is cold  
Where the miles are marked in the blood and the gold  
I'll meet you further on up the road

Got on my dead man's suit  
And my smiling skull ring  
My lucky graveyard boots  
And a song to sing  
I got a song to sing, it keeps me out of the cold  
And I'll meet you further on up the road

Further on up the road  
further on up the road  
where the way is dark  
and the night is cold  
one sunny morning we'll rise, I know  
and I'll meet you further on up the road

Am C Am E7 Am

Now I been out in the desert  
Just doin' my time

Searching through the dust

**C**

Looking for a sign

**G**

If there s a light up ahead

**Am G**

Well, brother, I don t know

**F**

But I got this fever

**G Am**

Burning in my soul

**C**

Further on up the road

**Am**

Further on up the road

**C**

Further on up the road

**E7**

Further on up the road

**Am G**

**Am G**

One sunny morning we ll rise, I know

**F**

**G**

**Am**

And I ll meet you further on up the road
