

I Came To Believe
Johnny Cash

G **C**
I couldn't manage the problems I laid on myself
D **G**
And it just made it worse when I laid them on somebody else
G **C**
So I finally surrendered it all brought down in despair
D **D7** **G**
I cried out for help and I felt a warm comforter there

C **G**
And I came to believe in a power much higher than I
D **G**
I came to believe that I needed help to get by
C **G**
In childlike faith I gave in and gave him a try
D **D7** **G**
And I came to believe in a power much higher than I

Nothing worked out when I handled it all on my own
D **G**
And each time I failed it made me feel twice as alone
G **C**
Then I cried, Lord, there must be a sure and easier way
D **D7** **G**
For it just cannot be that a man should lose hope every day

C **G**
And I came to believe in a power much higher than I
D **G**
I came to believe that I needed help to get by
C **G**
In childlike faith I gave in and gave him a try
D **D7** **G**
And I came to believe in a power much higher than I
D **D7** **G**
Yes, I came to believe in a power much higher than I
