Dm **F**
Well, you re my friends.

Bb **F** **Bb**
And can you see?

Dm
Many times we ve been out drinkin ,
Bb
Many times we shared our thoughts.

Dm
But did you ever,
C **Bb**
Ever notice the kind of thoughts I got?

Am **Dm** **Bb**
Well, you know I have a love, a love for ev ry - one I know.

Am **Dm** **C** **Bb**
And you know I have a drive to live I won t let go.

Dm
Well, can you see its opposition
Bb
Comes risin up sometimes,
Dm
That it s dreadful imposition
Bb
Comes blacking in my mind,

F
And that I see a darkness,
Bb
And that I see a darkness,
F
And that I see a darkness,
Bb
And that I see a darkness?

F
Did you know how much I love you?
Bb
Here s a hope that somehow you
F **Fsus** **F**
Can save me from this darkness.
