

**I Wish I Were Crazy Again**

**Johnny Cash**

**G** **D7** **G**  
I met an old friend this morning  
**C** **D7** **G**  
And I stopped him and called him by name  
**D7** **G**  
I said the years haven t changed you  
**D7** **G**  
But he said good Lord how you ve changed

So we stood there and talked on the corner  
**C** **D7** **G**  
And remembered the good times we had  
**D7** **G**  
Then he asked if we re happy together  
**D7** **G**  
And I only smiled and I said

Yes she keeps me off the streets  
**C** **D7** **G**  
And she keeps me out of trouble  
**C** **D7** **G** **C**  
Sometimes at night Lord when I hear the wind  
**G** **D7** **G** **C** **G** **D7** **G**  
I wish I was crazy again yes I wish I was crazy again

**D7** **G** **C** **D7** **G**  
Then we stopped in at a tavern we had us around or two  
**D7** **G**  
We called ourselves old desperados  
**D7** **G**  
Old desperados as old friends are likely to do  
**C** **D7** **G**  
We sat for a while and remembered then he said let s have just one more  
**D7** **G**  
I said I d sure like to join you but best be going on home
