

If We Never Meet Again
Johnny Cash

This song is especially touching being that Johnny and June are both now together on that beautiful shore .

Verse 1:

C **C7** **F**
Soon we ll come to the end of life s journey
 C **G** **G7**
And perhaps we ll never meet anymore
 C **C7** **F**
Till we gather in Heaven s bright city
 C **G** **C**
Far away on that beautiful shore

C **C7** **F**
If we never meet again this side of Heaven
 C **G** **G7**
As we struggle through this world and its strife
 C **C7** **F**
There s another meeting place somewhere in Heaven
 C **G** **C**
By the side of the river of life

Bridge:

F **C**
Where the charming roses bloom forever
 C **G** **G7**
And where separation comes no more
 C **C7** **F**
If we never meet again this side of Heaven
 C **G** **C**
I will meet you on that beautiful shore

C G C

Verse 2:

C **C7** **F**
Oh they say we shall meet by the river
 C **G** **G7**
Where no storm clouds ever darken the sky

And they say we ll be happy in Heaven
 C **G** **C**

In the wonderful sweet by and by
