I'm So Lonesome I Could Cry Johnny Cash

C

Hear the lonesome whiperwill

He sounds too blue to fly

F C

The midnight train is whining low

7

I m so lonesome i could cry

C

I ve never seen a night so long

When time goes crawling by

? (

The moon just went behind a cloud

G7 C

To hide it s face and cry

C

Did you ever see a robin weep

When leaves begin to die

F C

That means he s lost the will to live

G7 C

I m so lonesome i could cry

C

The silence of a falling star

Lights up a purple sky

F C

And as i wonder where you are

G7 (

I m so lonesome i could cry
