Johnny Cash

Intro - **C**

C

Well I saw you with another
It made me lose my mind
Shot you with my .38
And now I m doin time

F

And you put me here

C

You put me here

G

Well there s no need to doubt it
There ain t no two ways about it

F

G

As sure as your name s Kate

C

You put me here

I ve been tryin to tell em
That I didnt do no wrong
Only gave you what you ve been
Deserving all along

And you put me here
You put me here
There ain t no use in denyin
You done it with your lyin
As sure as your name s Kate
You put me here

Well the jury found me guilty
They wouldn t hear my plea
I listened as that judge said murder
In the first degree

And you put me here
You put me here
Well there ain t no need to doubt it
There s no two ways about it
As sure as your name s Kate
You put me here

Well the warden and the preacher
They re lettin me go slow
It won t be long until I m gone

Just thirteen steps to go

And you put me here

You put me here

There s just one way to figure

Your cheatin pulled the trigger

As sure as your name s Kate you put me here

There s no need to doubt it

There ain t no two ways about it

As sure as your name s Kate

You put me here
