Like A Soldier
Written by Johnny Cash

G

G

With the twilight colors falling
And the evening laying shadows

D

Hidden memories come stealing from my mind
As I feel my own heart beating out
The simple joy of living

G

I wonder how I ever was that kind

But the wild road I was rambling
Was always out there calling

D7

And they said a hundred times I should have died
Then you reached down and touched me
And lifted me up with you

G

So, I believe they were roads that I was meant to ride

C D G

| I m like a soldier getting over the war

C D7 G

| Like a young man getting over his crazy days

C D7 Em

| Like a bandit getting over his lawless ways

| **C** **D7** **G**
| I don t have to do that any more
| **C** **D7** **G**
| I m like a soldier getting over the war

There were nights I don t remember
And there s pain that I ve forgotten
Other things I choose not to recall
There are faces that come to me
In my darkest secret memory
Faces that I wish would not come back at all
But in my dreams parade of lovers
From the other times and places
There s not one that matters now, no matter who
I m just thankful for the journey
And that I ve survived the battles
And that my spoils of victory are you

| **C** **D** **G**
| I m like a soldier getting over the war
| **C** **D7** **G**
| Like a young man getting over his crazy days
| **C** **D7** **Em**
| Like a bandit getting over his lawless ways
| **C** **D7** **G**
| Every day gets better than before
| **C** **D7** **G**
| I m like a soldier getting over the war
