

Meet Me In Heaven
Johnny Cash

Capo 4

D
We saw houses falling from the sky
G **D**
Where the mountains lean down to the sand
G **D**
We saw blackbirds circling round an old castle keep
D **A**
And I stood on the cliff and held your hand
D
We walked troubles brooding wind swept hills
G **D**
And we loved and we laughed the pain away
G **D** **G**
At the end of the journey, when our last song is sung
D **A** **D**
Will you meet me in Heaven someday

G **C** **G**
Can't be sure of how it's going to be
G **C** **G**
When we walk into the light across the bar
G **C** **G**
But I'll know you and you'll know me
G **C** **D**
Out there beyond the stars

We've seen the secret things revealed by God
And we heard what the angels had to say
Should you go first, or if you follow me
Will you meet me in Heaven someday

Instrumental

Living in a mansion on the streets of gold
At the corner of Grace and Rapture Way I
In sweet ecstasy while the ages roll
Will you meet me in Heaven someday

In sweet ecstasy while the ages roll
Will you meet in Heaven someday
