I have sailed the piecefull waters of the ocean wide and blue

G

I held my breath and watched the western sunset s golden view

I ve flown above the mountainpeaks and valley s wide and green

But you re the nearest thing to heaven That I ve seen

F

C

You re the nearest thing to heaven, yes you are

G

C

I ve searched for happiness so long and far

F

But my search for love was through

C

The day that I found you

G

G7

C

Cause you re the nearest thing to heaven, yes you are

I confess that I ve been tempted by the luring magic charms

When a smile was flashed my way and stood before to open marks

But I turned and walked away because I love you like I do

You re the nearest thing to heaven, darling you

(Chorus)

I have watched the silver raindrops fall to earth to cool the day

Watched the rainbow at twilight when the clouds had blown away

I love the pretty flowers but I cannot buy their worth

Cause you re the nearest thing to heaven on this earth

(Chorus)
