

No Earthly Good
Johnny Cash

C **F** **C**
Come hear me good brothers come hear one and all
F **G**
Don't brag about standin` then you'll surley fall
C **F** **C**
You're shinin you lite right and shine it you should
C **G** **C**
You're so heavenly minded your no earthly good

Chours:

F **C**
No earthly good you are no earthly good
G
You're so heavenly minded your no earthly good
C **F** **C**
You're shinin you lite right and shine it you should
C **G** **C**
But you're so heavenly minded your no earthly good

If your holdin` heaven, spread it around
There's hungry hands reaching up here from the ground
Move over and share the high ground where you stood
so heavenly minded your no earthly good

Chours 2:

No earthly good you are no earthly good
You're so heavenly minded your no earthly good
Move over and share the high grund where you stood
so heavenly minded your no earthly good

The gospel ain't gospel until it is spread
But how can you share it where you've got your head
There hands that reach out for hand if you would
so heavenly minded your no earthly good

Chours 3:

No earthly good you are no earthly good
You're so heavenly minded your no earthly good
There hands that reach out for hand if you would
so heavenly minded your no earthly good

No earthly good you are no earthly good
You're so heavenly minded your no earthly good
You're shinin you lite right and shine it you should
But you're so heavenly minded your no earthly good
