[F]Don t waste your time now [C]askin me why  
I don t know I know I ll [Am]just be [D7]movin [G7]along

[C]You say that home is where [Am]my love is at  
[F]I say that home is where [C]I hang my hat  
The time has come to [G7]sing a travelin [C]song

[C]You want a house and a [Am]lot of close friends  
[F]I love the feel of my [C]back to the wind  
The two won t match you know the [Am]cage the [D7]wild would be [G7]wrong

[C]You think that love is friends a [Am]child and a home  
[F]You can t buy love on a [C]twenty year loan  
The time has come to [G7]sing a travelin [C]song

[C] Someday where we sat in your [Am]ol porch swing  
[F]A tamer man may [C]offer you a ring  
A man that wants his friends and [Am]neighbors a [D7]child and a [G7]home

[C]Don t waste your tears on love that [Am]never could be  
[F]What s right for others just [C]ain t right for me  
The time has come to [G7]sing a travelin song[C]
