I Still Miss Someone  
(J.R. Cash, R. Cash, Jr.)

**A**          **D**          **E**  
At my door the leaves are falling  
          **D**          **E**          **A**  
The cold wild wind will come  
**A**                  **D**          **E**  
Sweethearts walk by together  
          **D**          **E**          **A**  
And I Still Miss Someone

I go out to wild the parties  
And look for a little fun  
But I find the darkened corner  
Cause I still miss someone

BRIDGE[x]  
**A**          **D**          **E**          **A**  
Though I never got over those blue eyes  
**A D**          **E**          **A**  
I see them everywhere  
**A D**          **E**          **A**  
I miss those arms that held me  
**A**          **D**          **E**          **A**  
When all the love was there

I wonder if she s sorry for  
For leaving what we had begun  
There s someone for me somewhere  
And I Still Miss Someone

**A**          **D**          **E**          **A**  
Though I never got over those blue eyes  
**A D**          **E**          **A**  
I see them everywhere  
**A D**          **E**          **A**  
I miss those arms that held me

**A       D           E           A**  
When all the love was there

I wonder if she s sorry for  
For leaving what we had begun  
There s someone for me somewhere  
And I Still Miss Someone
