The Caretaker Johnny Cash

> Α А E D I live in the cemetery, ol caretaker they call me, D Α Е in the wintertime I rake the leaves and in the summer I cut the weeds. D When a funeral comes the people cry and pray, E Α they bury their dead, then they all go away, D Α and here I work and I somehow hide Е А from a world that rushes by outside. D А But each night when I rest my head, Е D Α I m contented as the peaceful death. Α But who s gonna cry when old John dies, \mathbf{E} А who s gonna cry when old John dies ? Α Е р Α Once I was a young man dashing with the girls, Α Е D Α now no one wants an old man, I lost my handsome curls. Α D But I wanna say when my time comes, lay me facing the rising sun, D Α put me in the corner where I buried my pup, Α Е tell the preacher to pray then cover me up. D Α Don t plant flowers where my head should be, Α maybe God would let some grow for me. А And all the little children that I love like my own, Е D Α will they be sorry that old John s gone ?
