

Two Timin' Woman  
Johnny Cash

C  
I woke up this morning in a terrible mood  
C  
Now you talk about a woman treatin a good man rude  
F C  
She had me talkin to myself, gazin at that mean ol wall  
G C  
She had another daddy waitin down at the end of the hall  
  
C  
She changes with the weather like the leaves I recall  
C C7  
She blossoms in the spring but then she s gone in the fall  
F C  
A two timin woman with a heart of solid stone  
G C  
She tells me that she loves me but her heart s a little undergrown  
  
C  
She said she d never leave me but she got the urge to roam  
C C7  
She drifts around the country like a steamboat on a foam  
F C  
She never changes course, she just goes along that same ol way  
G C  
And I hope she keeps a-driftin rolls back home someday  
  
C  
Cause if I ever find her gonna chain her to the floor  
C C7  
And tell her now sit there woman you ain t leavin no more  
F C  
I m gonna tame you mama till you re eatin from my hand  
G C  
It s not that I don t love you honey it s just to make you understand
