Wall Johnny Cash

was suicide.

The Wall by Johnny Cash

There s a lot of strange men in cell block ten, but the strangest of them all C G G C G C

was a friend of mine who spent his time starin at the wall. Starin at the G C G G C

wall. As he looked at the wall so strong and tall, you could hear him softly G C G G C

curse: Nobody at all ever climbed that wall, but I m gonna be the first. I m

G G G G C

gonna be the first. Well, the warden walked by and said son, don t try, I d

C G G C

hate to see you fall, there is no doubt they d carry you out if you ever

G C

made his try, but I can still recall how hard he tried and the way he died,

C G G C

but he never made that wall. He never made that wall. Well, there s never

G C

been a man who ever shook this can, but I know a man who tried. The

C G G C

newspapers called it a jail break plan, but I know it was suicide. I know it
