

Wide Open Road
Johnny Cash

C
Well, you said you had enough you said that you where leavin`
F C
I said shovel off honey baby i ain`t greavin`
Pack your bags and pull out this evening
G C
Theres a wide open road
C
On saturday mornin you where nowhere about it
F
So i searched the town but you had done pulled out
C G C
I looked north, east, west and then leadin` south I saw a wide open road
C
Theres a wide open road
F C
Its leadin south from my abode
F C
If you stick around and turn your dampers down
G C
Theres a wide open road
C
Well, the reason I was looking for you all over town
F
Was to tell you that your kitty cat is still around
C
And you left your wedding ring when you went down
C G
That wide open road
C
If you re gonna stay away, then honey let me know
F
How to cook hot biscuits, how to roll the dough
C
Everything s gone crazy since I told you to go
C C
Down the wide open road
C
There s a wide open road
F C
And honey, I want you to know
F C

You can look down south or you can turn back home

C **G** **C**

And there s a wide open road
