

You Wild Colorado
Johnny Cash

VERSE:

E **A**
Oh you wild raging river like my woman s lips you lure me
A **E** **F#** **B7**
Pipe-piper of the desert roll on to the sea
B7 **E** **A**
You re the same at noon or midnight and I follow where you go
A **E** **F#** **B7** **E**
But you re planning no returning you wild Colorado

CHORUS:

E **A** **E**
If I had no love of life I d become part of your flow
E **F#** **B7** **E**
But I fear the place you d take me you wild Colorado

VERSE:

Oh you wild raging river from the fountains of the mountains
You ripple down the valley growing wide and swift and deep
With what power you cut your canyons how long ago
You re as wayward as my woman you wild Colorado

REPEAT CHORUS
