

**You're My Baby**  
**Johnny Cash**

**E**

Hey i love that hair

Long and black

Hangin` down in the middel of your back

**A**

Don`t you cut it off whatever you do

**E**

Cause i need it to run my fingers trough

**A**

Cause you`re my baby, aha

**E**

You`re my sugar, mhm

**B7**

**E**

Yea, i don`t mean maby little wouilly bugger

Hey, i got a guitar got six string

And a guitar pick that`ll make em` ring

Every string`s got a note or two that im gonna use to serenate you

Cause you`re my baby, aha

You`re my sugar, mhm

Oh, you drive me crazy, little wouilly bugger

Well i got a dollar that i saved

Saved it up for a rainy day

Everybody`s for bills its due

But if they don`t catch me i`ll spend it on you

Cause you`re my baby, aha

You`re my sugar, mhm

Yea, i don`t mean maby little wouilly bugger

Well i had me a baby thought she was mine

but she run around on me all the time

Now she`s gone and im glad were through

Cause im from goggel eyed all over you

Cause you`re my baby, aha

You`re my sugar, mhm

Oh, you drive me crazy, dont mean maby

Little wouilly bugger

Listen to the song the learn to play it the right way.
