(verso 2)

I confess that I ve been tempted by alluring magic charms.

When a smile was flashed my way and stood before two openarms.

But I turn and walk away because I love you like I do.

You re the nearest thing to Heaven, darling you.

(verso 3)

I have watched the silver raindrops fall to Earth to cool the day.

Watched the rainbow at twilight when the clouds had blown away.

I love the pretty flowers but I cannot vie their worth.

But you re the nearest thing to Heaven on this Earth.
