

Lost And Found
Johnny Flynn

Em D

Em A Bm
Reams of stories reeled me in
D A
Caught my ear and hooked my chin
Bm D Bm D
A Friday dinner, a fish-drunk sinner
Bm D A Em
Pull me down or put me in

Bm D
Just a lonely radio
Bm D
Just a makeshift show and tell
Bm D A Em
Playing out the lives of the lost and found

Give me faith and give me love
Afaining from the clouds above
The sea below lent strings to bow
If I can t jump just push and shove

Just a lonely radio
Just a makeshift show and tell
Playing out the lives of the lost and found

Ah-ah-ah
Ah-ah-ah
Ah-ah-ah

I ll be in a happy one
A lucky running changing sun
A lost and found, a newest sound
Bullet from a golden gun

Just a lonely radio
Just a makeshift show and tell
Playing out the lives of the lost and found

Here I lie a-dying in bed
It s time for me and death to wed
I ll taste the loam, onto the loam
With a breath my body s dead

Just a lonely radio
Just a makeshift show and tell

Playing out the lives of the lost and found

Ah-ah-ah

Ah-ah-ah

Ah-ah-ah

Ah-ah-ah

Ah-ah-ah
