

Lost And Found  
Johnny Flynn

Em D

Em A Bm  
Reams of stories reeled me in  
D A  
Caught my ear and hooked my chin  
Bm D Bm D  
A Friday dinner, a fish-drunk sinner  
Bm D A Em  
Pull me down or put me in

Bm D  
Just a lonely radio  
Bm D  
Just a makeshift show and tell  
Bm D A Em  
Playing out the lives of the lost and found

Give me faith and give me love  
Afaining from the clouds above  
The sea below lent strings to bow  
If I can t jump just push and shove

Just a lonely radio  
Just a makeshift show and tell  
Playing out the lives of the lost and found

Ah-ah-ah  
Ah-ah-ah  
Ah-ah-ah

I ll be in a happy one  
A lucky running changing sun  
A lost and found, a newest sound  
Bullet from a golden gun

Just a lonely radio  
Just a makeshift show and tell  
Playing out the lives of the lost and found

Here I lie a-dying in bed  
It s time for me and death to wed  
I ll taste the loam, onto the loam  
With a breath my body s dead

Just a lonely radio  
Just a makeshift show and tell

Playing out the lives of the lost and found

Ah-ah-ah

Ah-ah-ah

Ah-ah-ah

Ah-ah-ah

Ah-ah-ah
