## Tunnels Johnny Flynn

C Am F I knew no vices and I knew no sin  $\mathbf{F}$ вb С I knew the words but they didn t sink in С  $\mathbf{F}$ Am Stayed out of those tunnels that pull people down  $\mathbf{F}$ вb C There s more of those tunnels in your home town С F Am Fell far from grace, so far I couldn t see F Bb C And oh, underground, I wasn t that far from the tree вb C We re all digging if you wanna know С Am F Fixing digging far too slow С Far too slow We dug for money, we shovelled four tons And the end wasn t funny, though we d all had fun Limping and broken, the tunnel fell in I ve been limping from tunnels since my original sin Birthright s a trouble, my father dug too He got where he was going at the age of 62 We re all digging if you wanna know Fixing, digging, far too slow Far too slow A new pair of boots and a chisel in your name Says we could be in the same hole attracting the same blame If I knew the way to the ornamental tree I would tell you, we d be jailbirds, I d be winking twice for free Don t call on your brother, odds are he s here and all Being gentle with the people who were knock-kneed from the fall We re all digging if you wanna know Fixing, digging, far too slow Far too slow We re all digging if you wanna know Fixing, digging, far too slow Far too slow
