

**Fly Me To The Moon**  
**Johnny Mathis**

Fly Me To The Moon: Johnny Mathis.  
On the charts in 1956.

#1.

**Dm7**                    **Gm7**  
Fly me to the moon and  
          **G7**                    **CM7**    **C7**  
let me sing among the stars.  
**FM7**                    **Bm7-5**  
Let me see what Spring is like  
      **A7**                    **Dm7**    **D7**  
on Jupiter and Mars.  
      **Gm7**                    **C7**            **Am7**    **D7**  
In other words, hold my hand.  
      **Gm7**                    **C7**            **Em7-5**    **A7**  
In other words, darling, kiss me.

#2.

**Dm7**                    **Gm7**  
Fill my heart with song and  
          **G7**                    **CM7**    **C7**  
let me sing for ever more.  
**FM7**                    **Bm7-5**                    **A7**                    **Dm7**    **D7**  
You are all I long for..all I worship and adore.  
      **Gm7**                    **C7**            **D#7**    **Am7-5**    **D7**  
In other words, please be true.  
      **Gm7**                    **C7**            **F**        **A#dim**    **F**  
In other words, I love you.

REPEAT WHOLE SONG:

A fifties smash from Kraziekhat.
