There is a feeling of love deep inside me  
This heart of mine is pounding in my brain  
I feel the fire, I feel desire  
Ooh let s dance, romance  
While we still have the chance

Come on, come on  
Rock me, rock me, rock me, baby  
Rock me out here on the floor  
Rock me, rock me, rock me, baby  
Rock me till I want no more

Rock me, rock me, rock me, baby  
Rock me out here on the floor  
Come on, come on  
Rock me, rock me, rock me, baby  
Rock me till I want no more

And when the night is through  
I still be here with you  
And the music will go on and on

Come on,  
Rock me, rock me, rock me, baby  
Rock me out here on the floor  
Come on, come on  
Rock me, rock me, rock me, baby  
Girl, rock me till I want no more
