

**Victorious Break The Silence**  
**Johnny Parks**

Into: **C-Csus**

**C F C/E F**  
Rising up like the tide, itâ€™s a sound you cant hide  
**G C/E F**  
This is it, you canâ€™t stop this noise  
**C F C/E F**  
See the church from the world with the saints of the past  
**G C/E F**  
Standing strong, you canâ€™t stop this noise

Pre Chorus:

**F G Em F**  
Break the silence, lift your voice

Chorus:

**C F**  
Can you hear the sound.  
**G F**  
Victorious, Victorious  
**C F**  
The saints go marching on,  
**G F**  
your praise in us, Victorious

**C F C/E F**  
With the drums, the dance, the cry of our hearts  
**G C/E F**  
Rising up, you canâ€™t stop this noise  
**C F C/E F**  
All the prayers, the sounds, the works of our hand  
**G C/E F**  
By the song, you canâ€™t stop this noise
