

Missing An Angel

Johnny Reid

Capo 2

E

Ain t it funny how life

C#m

Is measured in time

A

Ain t it funny how fate

B

Never leaves it too late

E

I heard a heavenly song

C#m

I started singing along

A

Still I can t believe

B

You sent her here to me

Chorus:

E

She fell from the sky

D

Right into my life

A

Through a hole in the clouds

B

All her friends were looking down

E

I found her crying in the rain

D

I helped her mend her wings

A

When she never flew back

B

Lord, I knew for a fact

E

That you were missing an angel

Is she here to save us all

Or just to catch me when I fall

Is she part of your plan

To make me a better man

Every night I say a prayer

That in the morning she ll be there
If I die before I wake
Chalk it up to give and take

Chorus

When she never flew back
Lord, I knew for a fact
That you were missing an angel
