When I close my eyes, I say a prayer for one more day with you.

And when I wake, I embrace the one who pulls me though.

Who pulls me through the storm when I can t go on.

Thank-you, thank-you for the life you ve given me.

Thank-you for sharin all your love and your dreams.

D A  
Thank-you.

Bm A/E  
Thank-you.

The second verse involves the same chords as the first verse and the choruses are both same.

A/E is A with an E base. (the notes played: E, C#)

(I wrote this for a piano, but I m sure you can use the same chords for a guitar, and if A/E is too much of a trial, you can replace it with A.

It is probably not completely accurate, so play around with it until it fits what you doing )
