Johnny Rivers

E F#m G#m A B7

E

I remember when I told you

A

I would try in every way

E

To hold you, and love you and kiss you and keep you

F#m

Till my dying day

G#m

You just laughed

A

G#m

Said you found somebody new

A

Someone to make me

F#m

B7

Forget about you

E

And now you tell me that your new love

A

Isn't true like he should be

E

You say you're gonna forget him

F#m

And you're gonna come back to me

G#m

But things have changed

A

G#m

I got me somebody new

A

Someone to make me

F#m

Forget about you

B7

I'm telling you

E

That it's too late

A

To say you're sorry

It's too late

To say you re mine

G#m

You think you can come back to me

A

I m not the same fool that I used to be

And you re gonna see

That it s too late

To say you re sorry

E

It s too late

To say you re mine

E
