Sidewalk Song Johnny Rivers

Sidewalk Song

A Amaj7 Dmaj7 D6 Dmaj7

Forty-seven cracks in the sidewalk that leads from my house to yours

Gmaj7 D/E

How do I know? I count them everyday

Amaj7 Dmaj7 D6 Dmaj7

While following you from my house to yours

Gmaj7 C Cmaj7

And though you don t know I m with you all the way

D/F# G Cmaj7

Wishing I could say "Stop! I love you, darlin won t you stay―

Gmaj7 Am7

But I always hang my head

Gmaj7 Em7 C/D G

And count all the cracks in the sidewalk instead.

Seventeen streetlights stand in between my house and yours

How do I know? I count them every night

While tracing my steps from my house to yours

To the golden glow of your window light

Wish somehow you knew how long I ve been in love with you

And wishin I were dead

I count all the cracks in the sidewalk on my way home to bed.
