Tunesmith

Fmaj7 **Bb/C**
Married to the road, there s no other way to say it
C/E **Bb/D** **Fmaj7**
Baby found out quite early in the game
Bb/C
That I belong to my songs, so she chose not to play it
C/E **Bb/D** **C/D**
Now I walk down the street and I hear them call my name

Chorus:

Gmaj7 **C** **Gmaj7** **C**
Tunesmith, tunesmith, sing me a song
Bm **Em** **C/D** **D**
Give me your laughter, give me your tears
Gmaj7 **C** **Gmaj7** **C**
Tunesmith, tunesmith, sing me a song
Bm **Em** **Am**
But who sings a song for the tunesmith?
Am7 **G**
Who sings a song for the tunesmith?

She could have changed my mind if anyone could do it
That s why I know I ll always be this way
And now that I ve got fame, I find there s nothing to it
I remember how I left her when I hear the people say

Chorus
