Im A Boy Im A Girl
Johnny Thunders

Pretty sure this is okay. if you wanna play Actress (early New York Dolls)
original version, just change to the C# key.

```
C   G      A
What is my name?
         C         G                  A
I m so lonely I think I m gonna go insane
C           G      A
I don t know who I want to be
C            G         A
won t somebody introduce me

      C        G
Im a boy Im a girl
          A
What am I wearing?
       C              G
I m a picture, I m a frame
          A
where am I hanging?
```

I don t know what you think I am
Im not no magician I tell you no I ain t
maybe I can open your pants but big fucking deal
I feel so electric I feel like a fucking eel (you fucking heel)

CHORUS

too bad too bad for you
you never gonna understand no not you
maybe its where your from or maybe your just so dumb
well take a walk, take a walk in the sun

CHORUS
