

**Summertime Romance**

**Johnnyswim**

[Verse]

**G** **D**  
I love the way you talk that talk boy  
**G**  
You build a world with every word you say  
**D**  
I knew I was gonna fall for you boy  
**G**  
I was all in before a memory was made, yeah  
**D**  
Darling I was young enough, I know I was dumb  
**G**  
Dumb enough to throw my heart in  
**D**  
And I know we re growing up and life is rough  
**N.C.** **G**  
But love at any cost is a bargain  
  
It s quite the bargain

[Pre-Chorus]

**Em** **F#m**  
Oh, I ve never been more at home  
**F#m**  
At a house or a hotel  
**A**  
So let s take our time on this road

[Chorus]

**D**  
Nowhere to be, just you and me  
  
Needing nothing  
**Bm**  
Flow with the breeze, we re fancy free  
  
Ain t we honey?  
**G**  
Wherever we are, that s where we are kind of loving  
**Em** **A**  
You and I, made a life, a paradise  
**D**  
Of a summertime romance  
**G**  
Of a summertime romance, yeah

[Verse]
