

Come Along Theres A Gene  
Johnossi

Intro:

G G G Em G Em

Verse:

G Em  
Time after time when the going gets rough  
G Em  
and you don t know, you don t know how to stop

G Em  
Time after time when the going gets tough  
G Em  
and you don t know, you don t know how to stop

Bm D  
Then I stand beside and wave with golden arms  
G Em G Em

G Em  
Light and more light put light in this scar  
G Em  
Oh someday you ll know light is what you re made of  
Bm D G  
Then we ll hang around above the sky with our golden arms  
Em

G  
It s a beautiful world  
Em  
I don t want to come down  
C  
I fall in love when I live with the stars  
Am  
Within and without  
G Em  
But I live in an age where neon s light  
C  
I want to live with the stars  
Am  
Without and within  
Em G C  
Because behind the clouds we cease to begin eternally  
Am C Am C

Am C  
Come along there s a gene  
Am C

That we could have if we believe

**Am C**

Come along there s a gene

**Am Em**

That we could have if we believe

**G C**

Embrace your child with golden arms

**Am C Am G**

**Em G**

(Come along there s a gene)

**Em G**

(That we could have if we believe) Time after time

**Em G**

(Come along there s a gene) Light I need light

**Em C**

**Am**

(That we could have if we believe) I sit around and wait

**C**

**Am**

**G**

I want to live with the stars before it s too late

**Em G**

Come along there s a gene

**Em G**

That we could have if we believe

**Em G**

Come along there s a gene

**Em Em**

That we could have if we believe

**D G**

Embrace your child.
