Follow me now,
G Em
lets take a long way home,
C Em
Then start all over again,
G Em
on a brand new road.

```

```

G
With a wide open mind,
Em
I got it under control.

```

Chords are a bit misplaced but
you can figure it out

C

The time is slowing me down,

colorful sound,

G

D

I can make it grow.

CHORUS:

G

It s been a long time coming,

Em

are you ready?

G

Em

I ve been everywhere with you man,

C

Em

are you ready, are you coming?

G

Em

This is the last time...

(play the intro riff here)

Go ahead and be free, just act like me.

BRIDGE:

G

When you die,

Em

you lived your delicate life,

G

now you breath again,

Em

when you re among your friends,

C

D

it feels, so ready to be now
