

Family Values

Johnossi

This tab is based on one I found at swedetab.se, thx to the person who wrote it (i dont know the name). I changed some of the lyrics and placed all of the chords

into the lyrics. Johnossi s webpage: www.johnossi.com/

Well here it comes: Capo on the 6:th

Johnossi - Family Values

Intro: **C Am C Am**

C

I had a sister named Emma Mississippi

Am

is a river that floats in the states.

C

Just like the memory in the wisdom of the water

Am

F

our souls were connected in so many ways, well

Even though we haven t talked in a while

C

I m still waiting for the day to come when you will arrive

Dm

I m sorry if I ruined happy times we ve been through

G

but no wonder, if I can spend my days without you and

C

I had a mother, and her name is Carolina

Am

Carolina is a state in the states

C

I think there s fifty but there s only one mother

Am

F

and she won t even look in my face, well

You know I d give it all to be loved by you again

C

but everything s my fault so I ll carry the blame

Dm

But now I m growing, I get older while the days pass by

G

soon I ll be dying, thinking you won t look me in the eyes

C

And it s sad

Am

so sad

C

Family values

Am

that we had, it s just a memory

F G

in your mind, what you gone bad

C

There s no love

C

I had a father named Mr Engelbert

Am

and Engelbert Humperdinck sings really good

C

I haven t heard him but I hear my fathers voice

Am

it s in the dreams where things are like they should

F

I miss your love which came naturally

C

sometimes I cry, when I think about how things used to be

Dm

Well at least come and visit me for only one time

G

daddy I love you but I know you won t pay me no mind

C

And it s sad

Am

it s so sad

C

Family values

Am

that we had

F

It s just a memory in your mind

G

we ve gone bad

C C

There s no love, no

Am C

no
