(Go on like this)

We re the people, the lucky
with the fragile bones
the ones who sit and worry
about catching a cold
We re the people, the happy
with the broken hearts
the ones who draw a picture
and proclaim that it s art
But you, and you, and you and you
you re just an animal developed into

You and you and you and you

a monkey needs to dance so do you

C

D

You like to do it as a child on your own

A

you re in the jungle and the monkeys

E

take your mind from your home

C

How many times do they have to tell you

D

A

that it s perfectly fine for you to dance around

E

naked when you re all by yourself

C D

Cause you, and you, and you and you

A

E

you re just a animal developed into

C

D

You and you and you and you

A

a monkey needs to dance so do you

We re the people, the lucky

with the fragile bones

the ones who sit and worry

about getting to old

You re the monkey in the jungle

trying to find your place

the one who let the sunset

bring a silly kind of smile on your face

You, and you, and you and you

you re just an animal developed into

You and you and you and you

a monkey needs to dance so do you

You like to do it as a child on your own

you re in the jungle and the monkeys

take your mind from your home

How many times do they have to tell you

that it s perfectly fine for you to dance around

naked when you re all by yourself

Cause you, and you, and you and you

you re just an animal developed into

You and you and you and you

a monkey needs to dance so do you
