Bm-G-D-A

Silence I keep
I still got no time I need
Is it too much
For me to ask you out

Bm-G-D-A

This travel takes so long
Why I can't be so strong
Love me
Hate me
Or live this life with me

G-G/F#m 2x-C

Love is:
What's keeping me this solitaire
Someday I wish that I can find you there
And still
Waiting for a brand new day
What's keeping me from causing this pain

It's just a feeling I know
Cause I'm alone on my own
I can't be wrong in this song
It's just a feeling I know
