

Wanted U  
Joji

[Intro]

**Dmaj7 Bm7 Gmaj7 Gsus2**

[Verse]

**Dmaj7**

Here I am

**Bm7** **Gmaj7**

Torn into a thousand shapes and folds

**Gsus2** **Dmaj7**

Torn into a thousand ways, I know

**Bm7** **Gmaj7**

Fornicate inside your broken homes

**Gsus2** **Dmaj7**

Before I throw a smile your way, no more

[Interlude]

**Dmaj7 Bm7 Gmaj7 Gsus2**

[Verse]

**Dmaj7**

I can't tell

**Bm7** **Gmaj7**

If all my answers correlate at all

**Gsus2** **Dmaj7** **Bm7**

I'm telling you a thousand things I know

[Chorus]

**Gmaj7**

I've been missing a long time

**Gsus2** **Dmaj7** **Bm7**

To know I had to move

**Gmaj7**

I've been waiting my whole life

**Gsus2** **Dmaj7** **Bm7**

To know I wanted you

**Gmaj7**

Are you feeling me slowly?

**Gsus2** **Dmaj7** **Bm7**

You can take your fucking time

**Gmaj7**

And I promise I won't lie
