

Disaster

JoJo

Intro 2x:

```
E|-----|
B|-----|
G|-----0-----0-----0-----0-----|
D|-----0-0-0-----0-0-0-----0-0-0-----0-0-0-----|
A|---2-----2---/3-----3-----0-----0-----|
E|-----3-----3-----|
```

```
Em          C          G          D
Trying not to pretend that you wont happen again and again like that
Em          C          G          D
Never thought it would end, but you got into my head and my head like that
      Em          C          G
You made me happy baby, but love was crazy so amazing
D          Em
But it s changing, rearranging
C          G          D
I don t think I can take anymore
```

Refrão:

```
C          G
Cuz the walls burned up when our love fell down
Em          D
And it turned into whatever now were saying never
C          G
Feel the fire cuz it s all around
Em          D
And it s burning for forever and always
C          G
We gotta let it go be on our way
Em          D
Look for another day, cuz it ain t the same my baby
C          G
Watch it all fall to the ground
Em          D
No happy ever after, just disaster
```

(C)

```
Em          C          G
Didn t want it this way, I only wanted to say
D
Is I loved you right
Em          C          G
Now you re walking away, and leaving me here to stay
      D
So foolish of me to wait for you
```

Em C
To realize all the things I gave you

Made you change you, your dreams caved too

Em C
When I met you, now forget you
G D
Don't want anymore

Refrão:

C G
Cuz the walls burned up when our love fell down
Em D
And it turned into whatever now were saying never
C G
Feel the fire cuz it's all around
Em D
And it's burning for forever and always
C G
We gotta let it go be on our way
Em D
Look for another day, cuz it ain't the same my baby
C G
Watch it all fall to the ground
Em D
No happy ever after, just disaster

Ponte:

Em C G
You shot the bullet you shot the bullet that killed me
D
Not feeling my heart beat, and now it's dying
Em C G
I, I've been through it, I, I've been through all the agony
D Em C
And now my eyes are, crying, trying no more crying,
G D
Lying it's just a game,
Em C G D
So disaster strikes and I'm alright cuz my love's on his way

(Refrão)
