E |-----3-----3-----|
```

Em C G D
Trying not to pretend that you wont happen again and again like that
Em C G D
Never thought it would end, but you got into my head and my head like that
 Em C G
You made me happy baby, but love was crazy so amazing
D Em
But it s changing, rearranging
C G D
I don t think I can take anymore

Refrão:

C G
Cuz the walls burned up when our love fell down
Em D
And it turned into whatever now were saying never
C G
Feel the fire cuz it s all around
Em D
And it s burning for forever and always
C G
We gotta let it go be on our way
Em D
Look for another day, cuz it ain t the same my baby
C G
Watch it all fall to the ground
Em D
No happy ever after, just disaster

(C)

Em C G
Didn t want it this way, I only wanted to say
D
Is I loved you right
Em C G
Now you re walking away, and leaving me here to stay
 D
So foolish of me to wait for you

Em C
To realize all the things I gave you

Made you change you, your dreams caved too

Em C
When I met you, now forget you

G D
Don't want anymore

Refrão:

C G
Cuz the walls burned up when our love fell down

Em D
And it turned into whatever now were saying never

C G
Feel the fire cuz it's all around

Em D
And it's burning for forever and always

C G
We gotta let it go be on our way

Em D
Look for another day, cuz it ain't the same my baby

C G
Watch it all fall to the ground

Em D
No happy ever after, just disaster

Ponte:

Em C G
You shot the bullet you shot the bullet that killed me

D
Not feeling my heart beat, and now it's dying

Em C G
I, I've been through it, I, I've been through all the agony

D Em C
And now my eyes are, crying, trying no more crying,

G D
Lying it's just a game,

Em C G D
So disaster strikes and I'm alright cuz my love's on his way

(Refrão)
