

Never Say Goodbye

JoJo

**F** **C**  
Never been in love  
**Dm**  
Cause a girl like me  
**Bb** **F**  
Never had someone to care for  
**D** **Bb**  
Never thought there could be  
**C** **F**  
Someone special for me  
**C**  
And now I m all in love  
**Dm**  
Cause a girl like me  
**Bb** **F**  
Waited patiently for someone  
**D** **Bb**  
Someone to care for me  
**C**  
And there will never be

[CHORUS:]

**F** **Bb**  
No more lonely, no more just me  
**Dm**  
I ve been there before  
**C**  
Ain t going no more  
**Dm**  
And now that you re here I  
**Bb** **F**  
Never wanna say goodbye love  
**C**  
Never wanna be without you  
**F** **Dm**  
No more crying, no denyin  
**Bb** **C** **D**  
I m in love with you  
**Bb**  
And now that you re here I  
**F** **C**  
I never wanna say goodbye love

[VERSE 2:]

**F** **C**  
Now it s time for me  
**Dm** **Bb** **F**

To find out what a first time love could mean

**D Bb**

Little scared but its cool

**C**

Cause it s worth it

**F**

Now I finally fell in love

**Dm**

And I know that it

**Bb**

Gots to be for real (So real)

**F#**

**Dm**

It s the way that I feel

**D**

**Bb**

So come share my world with me

**C**

So there will never be

[CHORUS:]

**F**

**Bb**

No more lonely, no more just me

**Dm**

I ve been there before

**C**

Ain t going no more

**Dm**

And now that you re here I

**Bb**

**F**

Never wanna say goodbye love

**C**

Never wanna be without you

**F**

**Dm**

No more crying, no denyin

**Bb**

**C**

**D**

I m in love with you

**Bb**

And now that you re here I

**F**

**C**

I never wanna say goodbye love

[BRIDGE:]

**Gm**

So I m standing here

**Bb**

Arms open wide

**C**

**Dm**

Ready to give my heart

**F**

I m sure this time

**C**

Love s gonna last for life

**Gm**

Baby I know things change

(Gm)

And there might be some rain

**Bb**

But the clouds are gonna clear

**C**

**Dm**

And the sun is gonna shine again

**Bb**

Shine light on our love baby

**F**

**Bb**

**B**

So let s make it last forever

\*\*THEN I m NOT SURE WHAT COMES NEXT\*\*

.... this is a cute song but a hard one to tab :/  
i know the chord progressions sound weird but it seems right to me.  
so.. yeah
