

Say Love

JoJo

F#m **D**
This is us at our best, and at our worst
A **E**
And when we speak, does it feel unrehearsed?
F#m **D**
Cause where I wanna be is far apart
A **E**
From where we are, from where we are
F#m **D**
And I thought I found the place where we could start
A **E**
Talk from the heart, talk from the heart

Refrão:

F#m
But you just say I m perfect
D
Say I m pretty
A
Say I m worth it
E
But if you really care for me
F#m
Say love
D
I want you to say love
A
I want you to say love

When I say love you
E
You just say me too
F#m
But I want you to say love

F#m **D**
It feels like we can t get out of first
A **E**
When we do it s like we re stuck in reverse, oh
F#m **D**
Cause where I wanna be is far apart
A **E**
From where we are, from where we are
F#m **D**
And I thought I found the place where we could start
A **E**
Talk from the heart, talk from the heart
