Wreckage (Jolie Holland)

**E:** 022100 **C#m:** 446654 **A:** 002220 **B7:** 021202 **F#m:** 244222 **A7:** 002223

The B7 can be played as a standard B: 224442, actually sounds better, but I've seen video of Jolie performing this song and she definitely plays a B7

Capo #2

(**E**)If disappointment was like a drug

I (**C#m**)overdosed again

(**E**)I can't take the razor-sharp edge

(**C#m**)Off your crooked grin

I lost the (**A**)war, I lost it all

And I can't (**B7**)get it back again

I can't (**F#m**)set you right when you

(**B7**)Go into a spin - All I can (**E**)do

Is (**A**)survey the (**E**)wreckage (**B7**)from (**E**)here

(**Bm**)There you were in (**E**)silk and fur

So (**Bm**)very fine to (**E**)behold and I was

(**A7**)Hanging on to your every word and

Hoping for something more

(**F#m**)Then you took my (**B7**)fondest wish

And (**F#m**)twisted it into **A** (**B7**)cord

And how here I (**E**)hang (**A**)strung up

By my (**E**)hope for (**B7**)something (**E**)more

(**F#m**)You know that (**B7**)I really loved you

(F#m)And I loved you (B7)first?

(F#m)You know I d take what (B7)you d given and

(F#m)You could do your (B7)worst

Your worst

If disappointment was like a drug  
I overdosed again  
I can t take the razor-sharp edge  
Off your crooked grin  
I lost the war - I lost it all  
And I can t get it back again  
I can t set you right when you  
Go into a spin - All I can do  
Is survey the wreckage from here
