

## Last Orders

Jon Allen

Hi guys. Couldn't find any lyrics and chords out here on the internet, so tried to do it out myself. I'm not sure about certain parts of the lyrics, not being a native english speaker, so if you find a mistake, please let me know! :)

**D** **A** **D**  
I love you till the dance is over  
**D** **G** **D**  
I love you till the music dies  
**G** **D**  
Till they tear down the stars from there after  
**A** **D**  
Till they unhook the moon from the sky

**D** **A** **D**  
I love you till my words unravel  
**D** **G** **D**  
I love you till the clocks unwind  
**G** **D**  
Till eternity is calling last orders  
**D** **A** **D**  
In that place on the outskirts of time

**C** **G**  
Jukeboxes playin love me tender  
**Bb** **D**  
The king is singing sweet and low  
**G** **D**  
In your arms I surrender  
**G** **A**  
I'd be a fool if I let you go

**D** **A** **D**  
I love you till ten turns to silver  
**D** **G** **D**  
I love you till jade turns to gold  
**G** **D**  
Till every last rhyme has been written  
**D** **A** **D**  
And even the new moon is old

**C** **G**  
The loneliness comes to my window

Sorrow's knocking on my door

It don t mean nothing to me

Cause I don t work for them anymore

I love you till death has no meaning

**D** **G** **D**  
I love you till life is a dream

Till all the cares ever we carried

I float in like feathers downstream

I love till the river climbs the mountain

**D** **G** **D**  
I love you till fish rule the land

**G** **D**  
Till the mirror can t see our reflection

And the bells of goodbye never sound
