Bm

A

Coming to the earth, singing to the stars

C#m A B E

Change we must, to live again

Hm

Coming to the earth, to the moon

A

Coming to the sky, to the earth

C#m A B E

Change we must, to live again

(Guitar solo)

Bm A C#m A B E x2

(same chords as in Guitar solo)

We will witness the sun, we will sing

We belong to the world

Our mother so devine, we live again

This is here, this is now, this is love

This is love that surrounds

Change we must change we must, to live again
